

## CAN - TV Features Fierce Chicago Matrimonial Attorney Les Poole

CHICAGO, March 27, 2017 - On Monday, March 27, 2017 at 7:30PM (CDT) renowned Fathers' Rights Attorney Jeffery M. Leving will host Chicago Counterpoint TV on CAN-TV's Channel 21. Chicago Counterpoint TV provides crucial legal education to single dads, men in divorce and family law attorneys looking to expand their professional knowledge.

This week's show features Matrimonial Attorney [Leslie P. Poole](#) who won an important victory and finally brought justice to a father by persuading the Judge to incarcerate his client's ex-wife for violating an order prohibiting her from contacting their daughter and for also failing to pay over \$50,000.00 in past-due child support. This occurred after the mother brainwashed their daughter to make false allegations of sexual abuse against her own father. Given the danger and harm the mother had already caused this family, Poole successfully persuaded the Judge to jail the mother for her continued disregard of the no-contact order and for her failure to pay child support in an amount in excess of \$50,000.00.

Because of Poole's brilliant advocacy, the child is now safe with her father and this dad is now able to live without the fear of being incarcerated based on false abuse accusations.

This is another example of great lawyering and dedication to justice, responsible fatherhood and the protection of children.
